2. Governed by AR 145-10.
3. Institutions at which units are organized are classified as follows:
  1. CLASS MC.—Military colleges and universities which grant degrees, which graduate students at an average age of not less than 21 years, which require all students to pursue military training throughout the course and to be habitually in uniform, which constantly maintain military discipline, and which have as objectives the development of the student by means of military training and the regulation of his conduct in accordance with disciplinary principles.
  2. CLASS CC.—Civil colleges and universities which are not essentially military, but which grant degrees and graduate students at an average age of not less than 21 years.
  3. CLASS MI.—Essentially military schools, specially designated by the Secretary of War as in Class MI, which do not confer academic degrees and at which the average age of students at graduation is less than 21 years, but which otherwise meet the requirements of Class MC and accept and maintain the course of instruction prescribed in the War Department program of instruction for senior division units.
  4. CLASS MS.—Essentially military schools, which are not specially designated by the Secretary of War as in Class MI, at which the curriculum is not sufficiently advanced to carry with it a degree and the average age of students at graduation is less than 21 years, but which otherwise meet the requirements of Class MC and accept and maintain the course of instruction prescribed in the War Department program of instruction for junior division units at essentially military schools.
  5. CLASS CS.—High schools and other educational institutions which do not meet the requirements of any of the classes mentioned above.

NOTE.—The letter "J" indicates a junior unit

In the proper column opposite each institution is shown the basic class to which each belongs. Immediately following the name of the institution, if entitled to it, appears in parentheses the letters "D. C." or "H. M. S." or "H. H. S.," as may be appropriate and the years that they have been entitled to be so designated. Since 1927 no institution has been designated as "Distinguished College," (D. C.: Distinguished Colleges, H.
